

Joe Catania LISW, LCDCIII
Supervisor, Partial Hospitalization Program
The Woods at Parkside

WORKSHOP TITLE:

Effective Treatment of the SAMI (Substance Abuse Mentally Ill) Population

WORKSHOP DETAILS

Tuesday, September 2, 2009

9:00 a.m. to 12:15 p.m.

Hayes Services Building, Room G-35

Delaware, Ohio 43015

\$45 per person; 3 CEUs for Counselors and Social Workers

PURPOSE

This presentation will be an overview of substance abuse and dependence diagnosis and treatment. Various treatment models will be presented along with criteria for levels of care. Participants will be provided information on the prevalence of chemical dependency within the various Axis I criteria for Schizophrenia, Bipolar, Major Depression and other major mental illnesses.

LEARNING OBJECTIVES

- Identify the difference between abuse and dependence.
- Understand the levels of care for treatment of dual diagnosis clients.
- Gain knowledge in the various treatment approaches that are effective and appropriate.

Joe Catania LISW, LCDCIII, received his BA in Social Work at Ohio University and his MSW at The Ohio State University. He has 20 years experience in the mental health and addictions field.

Joe is currently the Supervisor of the Partial Hospitalization Program at The Woods at Parkside in Gahanna, Ohio. The Partial Hospitalization Program serves the SAMI (Substance Abuse Mentally Ill) population and is funded through Medicare. Mr. Catania also has been in private practice for the past 4 years as an Independent Practicing Affiliate with The Center for Cognitive and Behavioral Counseling of Greater Columbus.
